

**BOYS & GIRLS CLUB
OF GREATER VENTURA**

We provide a positive place for all youth, especially those who need us the most, and quality programs to help them become healthy, responsible, confident and productive members of our community.

Dear Friends,

Enclosed is a record of your 2022 charitable contributions to Boys & Girls Club of Greater Ventura. We cannot begin to thank you enough for your generous support!

Because of you, we have been able to open 2 new teen centers on the West End of Ventura and in Oak View. These centers are provided at no cost to the teens and their families and provide a safe haven for teens to have positive socialization, mentoring and career exploration opportunities. We could not have done this without your assistance. We have also made great strides to elevate Club Safety to meet current standards of our ever-changing society, established several new community partnerships, have increased our social emotional programming and we are building sustainability to continue to provide a safety net for all of our members today and into the future.

Both our Club members and community greatly benefit from your contribution, as it allows us to provide an atmosphere for creating a strong sense of community, academic success, healthy lifestyles, and pride. These members go on to make Ventura a better place for all of us.

If you so desire, we would love to share more information with you about our programs and the impact that you have made. If this sounds meaningful to you, please do not hesitate to contact our Administrative offices at 805-641-5585, or email us at info@bgclubventura.org to arrange a Club tour, a phone call or to join our e-newsletter.

Thank you for your partnership in providing Great Futures for our kids!

Sincerely,

Patti Birmingham - CEO
