DONATE NEW/USED FURNITURE

Do you have staging items in go in the Modern Coastal design style that you no longer need?

Safe Harbor Ventura County is a coalition of agencies assisting investigations and provide services to victims of child physical and sexual abuse and to adult victims of sexual assault. The centers are located in houses that were adapted to provide comfortable, secure and confidential environments for interviews and medical examinations. Our Safe Harbor sites are in need of refurbishing their dated furnishings, and we are looking for items and **realtors** might have on hand from prior home staging, including:

- Updated Sofa, chairs, and tables
- Outdoor children's play set and/or play equipment
- Fake plants: faux fiddle leaf
- Kids furniture, bean bags
- Bookshelves
- Soft lighting lamps
- A wood bench that sits 2
- Carpet runners
- Outdoor (patio style) table and chairs with umbrellas

We are looking for items in the Modern Coastal Design Style, with a sand and sea color pallet, to promote a tranquil and welcoming environment. Style examples shown on the following page:
